

# Christmas Jumper Day

Friday 13 December

**Martin House**  
Children's Hospice

Here when  
families  
need us most

- **£10** can help pay for art materials to enable a family to make a Christmas bauble with their child's fingerprints as a precious keepsake.
- **£20** can pay for a family to enjoy a special Christmas dinner together, with all the trimmings, prepared by our chefs.
- **£50** means our care team can be available 24/7 during Christmas and new year, so families can ring for help and advice day or night during the festive season.
